Mr. Allen Dulles
Director, C.I.A.
Washington, D. C.

My dear Mr. Dulles:

The Women's Court and Civic Conference is currently planning its program for 1954-1955. We as a group believe that the American public is not very well informed about the C.I.A. and would be pleased to have you address our luncheon meeting on March 16, 1954.

The Women's Court and Civic Conference is a county-wide women's organization with general concern in community welfare, the courts and public institutions. The organization serves to coordinate the efforts of individual women and club groups in effective action. We have some two hundred members and forty clubs affiliated with us. I enclose copy of prospectus for the past year which may be of interest.

Should you be unable to accept our invitation, we would be pleased to have you suggest someone from your agency to address us.

Since it is necessary that we complete plans for our program fairly soon because of printing and newspaper publicity, may we hear from you at your earliest convenience?

Yours sincerely,

Mrs. Maurice R. Eastin
